

WalkMe WalkMe Editor

Overview

WalkMe Editor is a powerful tool that allows you to create and manage your WalkMe content. It provides a user-friendly interface for designing and testing your content, and it integrates seamlessly with the WalkMe platform.

WalkMe Editor is designed to be intuitive and easy to use, so you can get up and running quickly.

WalkMe Editor is available in two versions: Smart Walk-Thru and WalkMe Editor. Smart Walk-Thru is a simplified version of the editor, while WalkMe Editor is the full-featured version.

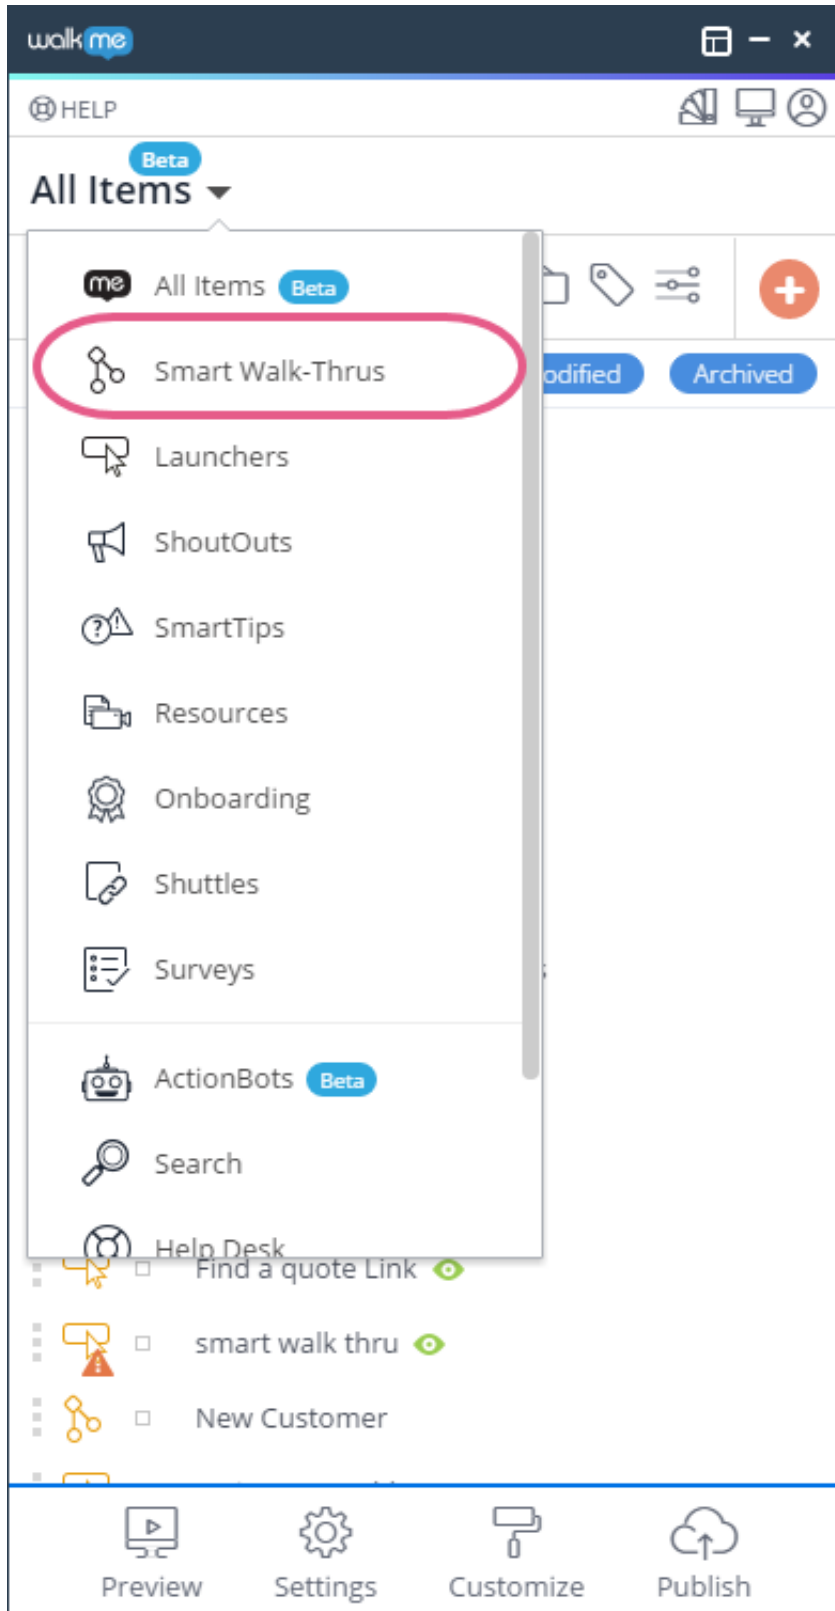

Getting Started

Before you can use WalkMe Editor, you need to have a WalkMe account.
