

Compass Editor Permalinks

Brief Overview

Compass permalinks will link you directly to the WalkMe Editor for in-app, step-by-step guidance.

You can also access all of these guides, and other resources, from the [WalkMe Compass Menu](#) in your editor.

Please note:

You must be logged in to your editor in order for the guidance to launch.

Compass Guides

Review the processes below, and click the permalink to begin the in-app guidance:
